~ The Report October 2005 And Beyond ~

The Parish Plan report has been delivered to every residential address within Groby and Field Head. Pages 2 to 16 contain an analysis of the information returned with the full action plan statement (wish list) on pages 17-19. The action plan statement shows most of the issues that residents have identified, with how important the problem is and suggestions of who may be able to provide a solution. If you have not had a copy of the report (shown above) please contact Martin on 0116 2874500 / 07850 707050

~ What Happens Now? ~

From here and over the following 15 years problems identified by the parish plan in the action statement may be resolved by Parish, Borough or County Councils, Out-side agencies such as Highways or anyone with an interest in our parish including villagers themselves and local businesses. Villages having completed Parish Plans are much more likely to be successful in completing for grants available for villages needs a process that will allow many more projects to be completed. We all have a responsibility to work together in looking after and maintaining the village if we want to get the most out of it.

~ Report Presentation Meeting ~

A meeting was held to conclude phase 1 of the parish plan process on Thursday 27th October 2005 in the Village Hall. Attended by many residents, Martin gave a presentation of the parish plan process and some of the more interesting things we discovered from it. Representatives were there from Groby Parish Council, Hinckley and Bosworth Borough Council, Leicestershire County Council and the Police amongst others to explain how the Parish Plan will be used by everyone to improve Groby and Field Head. Followed by a question and answer session with residents able to ask questions of any of the representatives. The evening finished with the Budgens Prize Draw being made and then light refreshments with questions being asked of the representatives on a one to one basis. A very successful evening to conclude a comprehensive Groby And Field Head Community Parish Plan project. The committee wishes to thank everyone present.
